1. RESEARCH UNIVERSITY

Where will I study?

We are a research university known in Europe and worldwide. We regularly monitor our placement in several international leading universities that put emphasis on the quality of science, research of a process teaching. We are involved in building university scientific parks of Avedecko centers, we support the development of top scientific teams. Our scientists contribute to finding a cancer medicine, students' students help citizens who cannot afford professional legal assistance. Experts from the Faculty of Arts explore the effect of the language for thinking as well as thinking itself. We walk on and expand cyber security workplaces, we associate with witness capacities from abroad, and other expenses across time to understand the basis of the functioning of the world around us.

2. EXPERTISE NEEDED IN THE WORLD

Science is a never-ending way behind new knowledge. Our Peak Research Infrastructure and expert tutorial practice will prepare you for excellent application on the market. World scientists and specialized laboratories will open you the door to solving of humanity problems. After all, you can just be one forgetful Nobel Prize bearers. You will certainly appreciate the individual approach of teachers, great libraries (including Austrian), a virtual study room, a university store, access to information resources or first-class furnished classrooms, refurbished halls and attractive television and radio studio.

3. GREEN UNIVERSITY

We care about a sustainable and healthy environment. Do you also think ahead and sort waste by color? Join the „Race to Zero“ and protect our nature from the „garbage“ threat! Our university creates conditions for a greener future, we build infrastructure for ecological transport and we support our students and employees in the use of eco-transport through competitions. Not only in our botanical garden but also in our campuses we organize the planting of new trees, we help the city of Košice find a way to improve the environment and we also see the future in hydrogen research. Across our faculties, we will be happy to bring you to the realization that each of us has the key to a healthier future.

4. CREATING QUALITY ENVIRONMENT POSSIBILITIES

Whether dormitories, a library, laboratories, first-class devices ... The most modern equipment is at your disposal. You will not look at the microscope from behind the backs of your classmates, you will examine cells and protein chains through it. At our legal clinics, we will teach you to swim in the paragraphs, and in the largest virtual medicine simulator center, we will carve a doctor. Whether you enjoy Slovak, English or German, we have the most modern interpreting programs and experienced teachers ready for you. Through practice, we can take you to the state ad-

ministration or even to the European institutions. Run with us to the finish line of all races, we have prepared sports grounds, gyms, gyms and showcases for medals at your Institute of Physical Education and Sports.

5. CAREER AND COUNSELLING SERVICES

Who will advise me?

As one of the few Slovak universities, we have our own counseling center, where we will advise you not only on your career. UNIPOC provides free psychological, social, legal, career and counseling advice to all students. Special attention is paid to the care of caregivers and students with special needs. Do you want to work in addition to your studies and do internships? We always have a Career Day for you. Do something!, Learn to learn, Write, Last holidays, first duties or Autogenous training are just a taste of everything our career counsellors have prepared for you. Don't forget to listen to their UNIPOkeC podcast!

6. STUDENT HOUSES AND CANTEENS

Where will I live?

Boarding life is the real spice of university life. You will always like to meet roommates, who will always help you overcome the pitfalls of endless learning, even after years. Our dormitories are a real home for more than 2000 students during their studies at UPJŠ. Will they become yours too? You will get your money's worth even if you eat a healthy diet. The extended offer of a meatless menu in the student canteens will surely pleasantly surprise you.

7. UNIVERSITY EVENTS

You can look forward to events where you will not only have fun, but also use your potential. Open days, faculty days, university sports days, children's university, student science conferences, faculty balls, Sciencefest and many other events. On Career Day, you will meet potential employers and experience job interviews directly at the university. Student associations will give you development in your field, and you will gain contacts in the future. Are you active and have an organizational spirit? We are looking for UPJŠ ambassadors! You would help us organize the event as a student support force. Truths for a scholarship!

8. STUDENT LIFE IN THE METROPOLIS OF THE EAST

The city of Košice will get to everyone. The busy Hlavná Street, full of cafes and restaurants, but also the silence of the side streets, create a color that you will fall in love with. Student parties? No problem! The reward for performing on the exam is best celebrated in a circle of classmates on the floor. When you get tired of the hustle and bustle of the city, slow down and get carried away by the muse of art, the culture in the metropolis of the East has always been unique. You can recharge your batteries in one of the many city parks, in our botanical garden or in the vicinity of Košice. You have six national parks, UNESCO monuments and breathtaking experiences ... Just by the way, the legendary Košice wind has never blown anyone away, so you don't have to worry.

KOŠICE – CITY OF EVENTS

STREET FOOD FESTIVAL

Twice a year, you can enjoy popular „food truck“ specialties from the world's fiction right in the city center. During two days in September, Košice will become the center of street food gastronomy, for which music groups will play for you. Throughout the year, however, you have the opportunity to visit food stalls located in Košice.

DAYS OF THE CITY OF KOŠICE

May belongs to Košice! The city's celebrations are one of the busiest festivals in our city, commemorating the awarding of the city's first coat of arms to Košice (May 7, 1369). The city lives by demonstrations of crafts, concerts, the opening of the Košice Zoo - the area of the largest zoo in Central Europe. The Katka steam locomotive, which runs to Alpinka in the summer - a popular recreational place for the people of Košice, is waking up. Part of the City Day is a tour of the historic Cassovia Retro cars. The city of Košice is simply full of life!

KOŠICE MUSIC SPRING

The Classical Music Festival is the oldest music festival in the city. The best Slovak and foreign conductors, ensembles and soloists receive a space at the turn of April and May. You can also look forward to literary and musical evenings, concerts at unusual places and exhibitions. All this under the baton of the Košice State Philharmonic.

NUIT BLANCHE

On the eve of the second oldest marathon run in the world, the International Peace Marathon, the multi-genre event Nuit Blanche is traditionally held. The city of Košice will light up and get a completely different face. During the day, ordinary urban spaces or buildings acquire an unknown dimension through modern light performances. A walk through the city will turn into a sightseeing tour and a night view from the tower of St. Elisabeth's Cathedral will take your breath away in one of the most beautiful historical city centers in Slovakia.
